The applicant provided responses and additional information to all issues raised during staff's review of the application. The applicant is requesting no variances with the PD-C zoning request.

Staff is in support the requested PD-C rezoning. Staff believes the request is reasonable and that the proposed STR-2 use is appropriate for this location.

Currently the City of Little Rock Department of Planning and Development has thirty-five (35) short-term rentals (STR-1 and STR-2) listed within the database for approved short-term rentals in the City of Little Rock. The City's new short-term rental ordinance allows a maximum of 500 short-term rentals within the corporate boundary of the City of Little Rock.

I. STAFF RECOMMENDATION:

Staff recommends approval of the PD-C zoning request subject to compliance with the comments and conditions noted in paragraph E and the staff analysis of the agenda staff report.
